GovTech x OpenAI Hackathon 2024 (22 Nov 2024)

06 NOV 2024

Calling all developers!

Be part of this exciting **one-day hackathon on 22 November 2024** to transform AI-powered concepts into reality, using cutting-edge models such as OpenAI GPT-4o Realtime and o1 reasoning model.

Jointly organised by GovTech and OpenAI.

- **Date:** Friday, 22 November 2024
- **Time:** 9:00 AM to 5:00 PM
- **Venue:** Lifelong Learning Institute, 11 Eunos Road 8, Singapore 408601

Theme: AI for the Public Good, for Singapore and the World

Guided by technical specialists from GovTech and OpenAI, you'll have the opportunity to:

- Build innovative prototypes

- Collaborate with peers as a team
- Gain insights from industry leaders
- Compete for attractive prizes

How to Participate

- Submit your problem statement or use case to solve during the event.
- Form teams of up to 5 members, or sign up individually to be grouped with others.
- Shortlisted applicants will be notified by 15 November 2024.

Register your interest
